

EDGEWOOD PROPERTIES

January 16, 2019

To Our Valued Residents:

As the nation endures its longest partial government shutdown in history, Edgewood Properties and M & M Realty Partners want to help our residents who have been affected by this disruption. If you are an unpaid government employee, we understand how difficult it will be for you to pay your rent while providing the other necessities for you and your family. To that end, Edgewood Properties will defer your rent payment until such time as you receive your back wages, as well as waive any late charges. Simply provide proof to your property manager that you are an unpaid federal employee and we will take care of the rest! Edgewood Properties tries its hardest to take into consideration unforeseen circumstances such as these.

Sincerely,

Jack Morris, President and CEO
